## UX/UI DESIGNER

Multi-discipline designer with a robust background in visual *design*, *UX/UI design*, *customer experience*, and *web design*. I thrive in collaborative team environments, enjoy creating stunning visuals, experimenting with design concepts, and am an expert in creative problem-solving. My approach is rooted in user-centered design thinking and backed by user research. My eagerness to learn and collaboration has:

- Provided design consultations, resulting in a 20% increase in project effectiveness and efficiency,
- 200+ 5-star consumer-centric solutions for technical support and troubleshooting.

## KEY COMPETENCIES

Adobe Creative Suite	Front-End Development	Team Collaboration
Conceptual Design	Information Architecture	User-Center Approach
Cross-Functional	Photography	Visual & Interactive Design
Figma	Project Management	Wireframes & Sketches

## PROFESSIONAL EXPERIENCE
